Camping Chair Workshop: Folding and Packing Requirements

A camping chair sourcing brief should describe the seating format, folding action, storage space and packing requirements. Seawing's workshop Reel shows people and chair components in a production setting. Use that view to organise a chair enquiry, and explore the camping-accessory categories below when planning the wider campsite assortment. Attach the video link and the product or drawing reference you want to discuss. Describe the intended market and use, the chosen version, requested sample checks and packing needs. Keep revision comments in one document so the next response addresses the same configuration.
