## Product summary

Medium-capacity 30 L pack for hiking, travel and everyday outdoor carry. Capacity: 30 L. Compare the available specifications below and select the preferred configuration for your quotation request.

## Catalog specifications

| | |
|---|---|
| **Capacity** | 30 L |
| **Product format** | unisex hiking and travel backpack |
| **properties** | lightweight and water-resistant |
| **Intended use** | mountaineering, travel, casual and sport |

## Using these specifications to choose a product

The 30 L backpack occupies a different labelled-capacity position from the packable 20 L model and the 55 L reference. The current record identifies hiking, travel, casual and sport use, but does not provide the same dimensional detail as the 20 L listing. Compare only fields available for each reference and request a measurement sheet before making fit or packing comparisons.

For 30 L Lightweight Hiking Backpack, the published record states Capacity: 30 L, Product format: unisex hiking and travel backpack, properties: lightweight and water-resistant, Intended use: mountaineering, travel, casual and sport. Keep those values together under this reference when building a wholesale product shortlist; a value from a neighbouring model does not describe this item.
