Adjustable Anti-Shock Trekking Poles | Multiple Colors

https://seawingglobaltrade.com/products/adjustable-trekking-poles

Product summary

Adjustable, lightweight trekking-pole format with multiple colour options. Compare the available specifications below and select the preferred configuration for your quotation request.

Using these specifications to choose a product

This reference is an adjustable trekking pole with an anti-shock feature and multiple colour presentations. For an assortment decision, distinguish the adjustment mechanism, grip, strap and tip as separate components. The present record does not give a numeric adjustment range or a pole weight, so neither should become a size filter or a printed specification until measured for the selected version.

For Adjustable Anti-Shock Trekking Poles, the published record states This reference is an adjustable trekking pole with an anti-shock feature and multiple colour presentations. For an assortment decision, distinguish the adjustment mechanism, grip, strap and tip as separate components. The present record does not give a numeric adjustment range or a pole weight, so neither should become a size filter or a printed specification until measured for the selected version.. Keep those values together under this reference when building a wholesale product shortlist; a value from a neighbouring model does not describe this item.

SKU-specific sample and quotation checklist

Use the following Adjustable Anti-Shock Trekking Poles fields in the sample request and final quotation so the ordered reference can be checked against the online record.

- **Product reference:** Confirm product reference as “Adjustable Anti-Shock Trekking Poles” for the selected version, or request a written revision before ordering.
