Aluminium Alloy Tent Stakes | 23 cm Lightweight Camping Pegs

https://seawingglobaltrade.com/products/aluminum-tent-stakes

Product summary

Compact 23 cm aluminium-alloy stakes with red and green options. Material: aluminium alloy. Compare the available specifications below and select the preferred configuration for your quotation request.

Catalog specifications

Material	aluminium alloy
Size	1.7 × 23 cm
Unit weight	33 g each
Colour	red or green

Using these specifications to choose a product

The stake is listed at 1.7 × 23 cm and 33 g each, in red or green aluminium alloy. The word each matters when planning a retail pack: the published weight is not the weight of an unspecified multi-pack. Decide the intended pieces per pack separately. Soil suitability and holding performance need an installation context; they cannot be read from the colour or alloy description.

For Aluminium Alloy Tent Stakes, the published record states Material: aluminium alloy, Size: 1.7 × 23 cm, Unit weight: 33 g each, Colour: red or green. Keep those values together under this reference when building a wholesale product shortlist; a value from a neighbouring model does not describe this item.

SKU-specific sample and quotation checklist

Use the following Aluminium Alloy Tent Stakes fields in the sample request and final quotation so the ordered reference can be checked against the online record.

- **Material:** Confirm material as “aluminium alloy” for the selected version, or request a written revision before ordering.
- **Size:** Confirm size as “1.7 × 23 cm” for the selected version, or request a written revision before ordering.
- **Unit weight:** Confirm unit weight as “33 g each” for the selected version, or request a written revision before ordering.
- **Colour:** Confirm colour as “red or green” for the selected version, or request a written revision before ordering.

Compare catalog references

Compare Aluminium Alloy Tent Stakes with Reflective Tent Guyline, Ferro Rod Fire Starter with Multifunction Striker. Review each named product's own specifications; the photographs and values belong only to the corresponding reference and are not included with Aluminium Alloy Tent Stakes.

From product selection to a sample brief

1. **Choose the exact reference**
   Save the Aluminium Alloy Tent Stakes page, product ID and preferred option as one reference.
2. **Record the configuration**
   Record size for Aluminium Alloy Tent Stakes as “1.7 × 23 cm” and add any destination-market requirements separately.
3. **Evaluate the sample**
   Check the Aluminium Alloy Tent Stakes sample against the written unit weight entry and keep dated photographs of the reviewed item.
4. **Agree the bulk order**
   Put the approved Aluminium Alloy Tent Stakes version, quantity, packing request and delivery terms into the final quotation; unlisted terms require confirmation.
