https://seawingglobaltrade.com/products/compact-sleep-pod-tent

Product summary

Low-profile 4.6 m² shelter with dimensions, fabric and colours. Floor area: 4.6 m². Compare the available specifications below and select the preferred configuration for your quotation request.

Catalog specifications

Floor area	4.6 m²
Size	230 × 200 × 120 cm
Colour	green or khaki
Outer fabric	420D PU3000 Oxford

Using these specifications to choose a product

The compact sleep pod is listed at 230 × 200 × 120 cm, with a 4.6 m² floor area and a 420D PU3000 Oxford tent body. Green and khaki are the named colours. Its 120 cm listed height is relevant to a seated or lying-space comparison, but does not establish an approved occupancy. Position this reference separately from taller inflatable accommodation tents.

For Compact Sleep Pod Tent, the published record states Floor area: 4.6 m², Size: 230 × 200 × 120 cm, Colour: green or khaki, Outer fabric: 420D PU3000 Oxford. Keep those values together under this reference when building a wholesale product shortlist; a value from a neighbouring model does not describe this item.

SKU-specific sample and quotation checklist

Use the following Compact Sleep Pod Tent fields in the sample request and final quotation so the ordered reference can be checked against the online record.

- **Floor area:** Confirm floor area as “4.6 m²” for the selected version, or request a written revision before ordering.
- **Size:** Confirm size as “230 × 200 × 120 cm” for the selected version, or request a written revision before ordering.
- **Colour:** Confirm colour as “green or khaki” for the selected version, or request a written revision before ordering.
- **Outer fabric:** Confirm outer fabric as “420D PU3000 Oxford” for the selected version, or request a written revision before ordering.
