Using these specifications to choose a product

The gable-roof tent has two published sizes: 330 × 230 × 180 cm and 400 × 280 × 190 cm. Both are presented in dark brown. The construction record separates the Oxford-check outer, 190T polyester inner and 300D Oxford floor. Keep those layers separate in a material table rather than describing the whole tent with a single fabric code.

For Gable-Roof Inflatable Tent, the published record states Small model: 330 × 230 × 180 cm, Large model: 400 × 280 × 190 cm, Colour: dark brown, Outer: Oxford checkered fabric, Inner: 190T polyester; floor: 300D Oxford. Keep those values together under this reference when building a wholesale product shortlist; a value from a neighbouring model does not describe this item.
