Using these specifications to choose a product

The hexagonal inflatable reference lists 292 × 146 × 200 cm and 12 cm air poles. Its accessories list names fourteen stakes, ten guylines with aluminium clips and a manual pump. Preserve the hexagonal shape when preparing a floor-layout request: the bounding dimensions alone do not show the usable corners. The record for this version should remain separate from the automatic hexagonal tent with fiberglass poles.

For Hexagonal Inflatable Tent, the published record states Size: 292 × 146 × 200 cm, Colour: khaki, Air poles: 12 cm, Included items: 14 stakes, 10 guylines with aluminium clips and manual air pump. Keep those values together under this reference when building a wholesale product shortlist; a value from a neighbouring model does not describe this item.
