Using these specifications to choose a product

This dual-awning tent lists a 3.3 × 4.2 m footprint, 2.5 m height and approximately 13.86 m² area in sand gold. Keep the stated footprint distinct from any extended awning outline. A project drawing should identify where the measurement starts and ends, where the doors open and where the awning supports sit. The area figure is not an occupancy approval.

For Inflatable Tent with Dual Awning, the published record states Footprint: 3.3 × 4.2 m, Height: 2.5 m, Tent area: approximately 13.86 m², Colour: sand gold. Keep those values together under this reference when building a wholesale product shortlist; a value from a neighbouring model does not describe this item.
