Product summary

Khaki inflatable tunnel-shelter format documented by the product gallery. Product format: inflatable tunnel tent. Compare the available specifications below and select the preferred configuration for your quotation request.

Catalog specifications

Product format	inflatable tunnel tent
Colour	khaki

Using these specifications to choose a product

This reference identifies a khaki inflatable tunnel tent. Its record establishes the tunnel format and colour, but does not publish a dimensioned floor plan. Use the photograph to identify the model you are asking about, then obtain the length, width, height and packed specification for that exact version. Do not borrow dimensions from the hexagonal or gable-roof inflatable tents shown elsewhere in the catalog.

For Inflatable Tunnel Tent, the published record states Product format: inflatable tunnel tent, Colour: khaki. Keep those values together under this reference when building a wholesale product shortlist; a value from a neighbouring model does not describe this item.

SKU-specific sample and quotation checklist

Use the following Inflatable Tunnel Tent fields in the sample request and final quotation so the ordered reference can be checked against the online record.

- **Product format:** Confirm product format as “inflatable tunnel tent” for the selected version, or request a written revision before ordering.
- **Colour:** Confirm colour as “khaki” for the selected version, or request a written revision before ordering.
