Using these specifications to choose a product

The 20 L daypack is listed at 230 g, with expanded dimensions of 46.5 × 26.5 × 9.5 cm and packed dimensions of 20 × 18 × 6 cm. Its fold-to-pocket format is a practical distinction from the other backpacks. The published litre capacity should stay as stated; multiplying the exterior dimensions of a flexible bag is not a substitute capacity measurement.

For Packable 20 L Daypack, the published record states Capacity: 20 L, Unit weight: 230 g, Expanded size: 46.5 × 26.5 × 9.5 cm, Packed dimensions: 20 × 18 × 6 cm, Features: foldable, water-resistant and breathable fabric. Keep those values together under this reference when building a wholesale product

shortlist; a value from a neighbouring model does not describe this item.
