## Using these specifications to choose a product

This rain suit is a jacket-and-pants set with a hood, back ventilation, mesh lining, elastic cuffs and a storage bag. The listed weights of 180, 200 and 300 g belong to shown variants; the record does not assign each weight to a complete size matrix. Specify which variant is being quoted and keep the jacket and trouser measurements together in the sample record.

For Ultralight Waterproof Rain Suit, the published record states Product format: unisex ultralight rain suit, Set: hooded jacket and pants, Features: back ventilation, mesh lining, elastic cuffs and storage bag, Unit weight: 180 g, 200 g and 300 g, Colour: green, black, white and orange. Keep those values together under this reference when building a wholesale product shortlist; a value from a neighbouring model does not describe this item.
