Waterproof Tactical Hiking Boots | Suede Leather Trekking Shoes

https://seawingglobaltrade.com/products/waterproof-tactical-hiking-boots

Product summary

Suede-and-fabric upper with waterproof sock liner and composite sole. Upper: suede cow leather and fabric. Compare the available specifications below and select the preferred configuration for your quotation request.

Catalog specifications

Upper	suede cow leather and fabric
Lining	waterproof sock liner
Outsole	rubber and PU composite
Colour	sand and khaki
Intended use	hiking, camping, trekking and outdoor work

Using these specifications to choose a product

The boots combine a suede cow-leather and fabric upper, a waterproof sock liner and a rubber-plus-PU outsole. These are separate parts of the footwear specification. Sand and khaki are the listed colour options. A fitting brief should identify the size scale and actual foot or last measurements; do not infer a protective-toe classification or occupational certification from the word tactical.

For Waterproof Tactical Hiking Boots, the published record states Upper: suede cow leather and fabric, Lining: waterproof sock liner, Outsole: rubber and PU composite, Colour: sand and khaki, Intended use: hiking, camping, trekking and outdoor work. Keep those values together under this reference when building a wholesale product shortlist; a value from a neighbouring model does not describe this item.

SKU-specific sample and quotation checklist

Use the following Waterproof Tactical Hiking Boots fields in the sample request and final quotation so the ordered reference can be checked against the online record.

- **Upper:** Confirm upper as “suede cow leather and fabric” for the selected version, or request a written revision before ordering.
- **Lining:** Confirm lining as “waterproof sock liner” for the selected version, or request a written revision before ordering.
- **Outsole:** Confirm outsole as “rubber and PU composite” for the selected version, or request a written revision before ordering.
- **Colour:** Confirm colour as “sand and khaki” for the selected version, or request a written revision before ordering.
- **Intended use:** Confirm intended use as “hiking, camping, trekking and outdoor work” for the selected version, or request a written revision before ordering.

From product selection to a sample brief

1. **Choose the exact reference**
   Save the Waterproof Tactical Hiking Boots page, product ID and preferred option as one reference.
2. **Record the configuration**
   Record lining for Waterproof Tactical Hiking Boots as “waterproof sock liner” and add any destination-market requirements separately.
3. **Evaluate the sample**
   Check the Waterproof Tactical Hiking Boots sample against the written outsole entry and keep dated photographs of the reviewed item.
4. **Agree the bulk order**
   Put the approved Waterproof Tactical Hiking Boots version, quantity, packing request and delivery terms into the final quotation; unlisted terms require confirmation.
